- **Complete the Family Scavenger Hunt** (provided upon arrival with the welcome packet) Bring the completed scavenger hunt to Joel at the check in table and each of your family members will get to pick out something special.
- **Bring and Eat a Picnic Lunch Together** either outside or in the Dining Hall.
- **Arrival and Parking:** Please know the incredible attendants we have with parking are likely volunteers, be very respectful and kind to them. Parking at Ochoco is limited and the job is challenging. If no attendant is present use the map provided to help find a parking spot. After parking head up the stairs to the porch of the Auditorium to check in and pick up an arrival packet.
- **Path to activities property:** A second property is also owned by Ochoco Christian Conference Center. Head there for more puzzles and activities. The walking path travels through a gate along a path on the right of the map and will be flagged. It is less than 1 mile to the second property and a beautiful hike! Watch for an osprey next high on top of a snag, wood pecker holes and wild flowers. For those needing to drive, you can find driving directions on the bottom of the same page as the camp map:

- **Visit the Island:** Can you find the foot bridge?
- **Solve Educational Puzzles** ([Glen's Gizmos](#))
- **Hike up Art Hill:** We put extra puzzles up there as well.
- **Stop by the gym for games and parents can pick up FREE text books.** Suggested donation a few bucks a book.
- **Look for wildlife**, especially lizards (mostly fence swifts/blue bellies)
- **Parents: Relax with younger kids in the family room** on the end of the Dining Hall. Shoes off please – recently cleaned white carpet.
- **Visit with volunteers and complete challenges** as a family throughout the camp.
- See if your family won the raffle and pick up your prize from the check-in table anytime after 2pm.
